*Companion skirting available in all colors

Two tones of softly blended hues and an organic grain pattern evoke the emotion of reclaimed lumber given a new life.

Available in 12', 16', or 20' lengths with square or grooved board profiles.

Square edge

Grooved edge

Compressed into the board, authentic deep grains mimic the naturally random patterns found in real wood.

Backed by our 25-year residential and commercial warranty, and an industry-leading 5-year full start period.

Weathered Wicker

Representation of these colors is as accurate as modern technology will permit. As with any composite product, color variations will occur. View several full length boards prior to final color selection. Colors will usually weather to a lighter shade within the first several months of exposure to the environment. Color selection may vary across profiles. For product specifications and additional information visit EnvisionDecking.com.
