FAIRWAY VINYL POST WRAPS

Features/Installation

Great for pre-existing wood support posts. Complements deck and railing. Hides old discolored and splintered wood posts.

Available in 4" & 6" White • Tan • Khaki
Up to 108" in length

909901

Installation: Our Post Wrap system fastens by simply overlapping two of the four vinyl sections. Refer to illustration at left for example. For sturdy construction we suggest using OSI Quad Advanced Formula Sealant or comparable substitute. Simply attach "A" sides before "B" sides.
