MARINE GRADE COMPOSITE DECKING

When it comes to your dock, you need more than just good looks—you need performance that lasts. Envision Composite Decking delivers the strength, beauty, and durability that waterfront docks demand. Whether you're casting a line, docking your boat, or just soaking in the view, you can trust that your dock is ready for everything nature throws at it.

up to **25%** **COOLER**

up to **61%** **LESS** **MOISTURE ABSORPTION**

up to **33%** **BETTER TRACTION**
